Dear The Federal Communications Commission,

I do not want to pay more for my telephone service! I urge you to reject a flat fee proposal that would change how contributions are made to the Universal Service Fund. I am concerned that this proposal could make my current service unaffordable.

I use my wireless phone for safety & security. I don't want to lose these benefits so that big businesses can pay less than their fair share. I urge you to reject the proposal to move the USF collection system to a flat-fee.

My phone bill is a monthly TAX bill. Only 28% of my bill is for telephone charges - The rest is gov,t Fees, & taxes & Funds Get off my 77 year old BACK...

R. C. BURNETT

Sincerely,

R. C. BURNETT
